Info Update 07 February 2011

L.O.M. Medical's Financial Statements and Tax Returns for 2005 to 2008 inclusive and L.O.M. Laboratories' Financial Statements and Tax Returns for 2004 to 2008 inclusive have been filed with Canada's tax authority. Due to the fact that previous projected dates which we believed and stated for completion of Financial Statements and Tax Returns to fiscal year end 2010 were not met we will post another update only when our chartered account firm informs us that 2009 and 2010 Financial Statements and Tax Returns have been filed.
